EMERGENCY SITUATIONS
Call 632-1600 X105

The Rocklin Unified School District has plans and preparations for major emergency situations. Our school staff has been trained and drills are held regularly to make certain that the students understand emergency procedures.

1. Our primary concern in the event of an emergency is the safety and welfare of the students. Please inform your students they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind and inspections are made regularly to remove possible hazards. Personnel who are trained in first aid.
 2. Your students should be instructed to obey the directions of their teachers and follow the directions of the bus driver if they are on a bus. If walking or riding bicycles, they should be told to continue toward their destination when an emergency situation develops.
- Your cooperation is asked in any emergency. In the event an emergency arises:

- Please avoid calling the school. Telephone lines will be needed for emergency communications.
- Please avoid driving to school. Streets should be as open as possible for emergency vehicles. If you are picking up a student, please park at Longs and walk on campus.
- Turn your radio to any local Placer/Sacramento County radio station. Information and instructions for picking up students during or after an emergency will be given over the radio.

Stations: AM-KAHI 95, KFBK 1530; FM-KHYL 101, KEAR 92.5

In the event our school must be evacuated, your student will be transported to another school. The school of choice will be determined by the nature of the emergency. Specific information will be broadcast on the local radio stations above.

ACADEMIC GUIDELINES

GRADUATION OVERVIEW AND REQUIREMENTS

The system of education at RHS is driven by performance-based standards as mandated by the State of California and the Rocklin Unified School District. Standards are not new to education; educators have always had goals and expected levels of achievement for students. At Rocklin High School, we go beyond expectations by requiring all students to master the learning associated with the common set of standards. In support of this philosophy, the curriculum, instruction, assessment and reporting to parents is designed accordingly.

Students will demonstrate mastery of the content standards through assessments and course work aligned with California and district standards. The grade reporting system is used to communicate a student's progress toward mastery. By requiring students to meet academic standards, a graduate will have the skills and knowledge needed for success in whatever post-high school avenues are chosen.

Graduation will be based upon demonstrations of what students actually know. In the past, if a student had completed four years of high school and a certain number of courses, he/she was considered "educated." **At RHS, only after a student has demonstrated that learning has occurred will RHS confirm that education has happened.**

A minimum of 250 credits including the following required subjects must be earned in grades 9-12 in order to meet graduation requirements.

Course Requirements:

<u>Subject Areas</u>	<u>Years</u>	<u>Units</u>
Language Arts	4	40
Social Studies w/Geography	4	35
Mathematics*	3	30
Science	3	30
P. E.	3	30
Applied Science**	1	10
Visual/Performing Arts	1	10
Foreign Language	1	10
Health	.5	5
Electives	5 courses	50

Total Units required for graduation

250 units

*Must complete math through Geometry.

**Applied Science - will be satisfied by completion of a course in the area of Communication Studies, Technology or ROP (see Counselor for guidance in this area.)

GRADUATION REQUIREMENTS

In addition to course requirements, a RHS graduate will be required to possess and demonstrate mastery of the following outcomes:

- An ability to communicate effectively in written and spoken language.
- An ability to read, comprehend, critically analyze, and organize written materials.
- A knowledge and application of history/social studies.
- A knowledge and application of life, physical, and earth sciences.
- A knowledge and application of mathematics.
- A knowledge of visual and performing arts skills.
- A knowledge and application of applied sciences.
- A knowledge and application of a foreign language.
- Physical education skills, exercise skills, and lifetime activity/leisure skills.
- Health and family life skills.

- A knowledge and application of current tools, technical systems, and library/learning resources.
- An awareness of environmental issues.
- A knowledge of career interest/aptitude and employment opportunities.
- An ability to have confidence and respect for themselves and others. Student must demonstrate participation in community service. **See page 13 for more information.**

State mandated competencies are met by the completion of RHS graduation requirements.

High School Exit Exam: Each pupil completing grade 12, is required to successfully complete the California High School Exit Exam as a condition of graduation with a diploma. If applicable, attached to this annual notice will be the dates of the exam, the requirements for passing the exam, and the consequences of not passing the exam. Districts receiving intensive instruction funds must notify pupils who have not passed one or both part of the CAHSEE by the end of grade 12, of their entitlement to receive after completion of grade 12, intensive instructional services for up to two consecutive academic years. Such pupils shall also be notified of their right to file a complaint under the Williams Uniform Complaint Procedures if they were not provided the opportunity to receive intensive instruction. The parent of a student with a disability who receives the equivalent of a passing score with the use of authorized modifications may apply to the principal of the school for a waiver of this requirement. Education Code §§ 48980(e), 35186(a)(4); 37254.

GRADING POLICY AND SYSTEM

Eight reports are mailed home during the school year, approximately one every 4 – 5 weeks. This is done to help students, parents and teachers determine and discuss student achievement more frequently. The approximate mailing dates are listed in the student handbook (see calendar on page 5 for dates or the Academic Planning Guide for more information). Duplicate mailing is available upon request in the Administration Office. Report cards will be mailed following the end of each quarter and semester to identify course grades. However, only semester grades are recorded on official transcripts.

On Report Cards: A=Distinguished On Progress Reports: P=Passing
 B=Commendable NM=No Mark
 C=Proficient (Mastery) NC=No Credit; No Mastery

ACADEMIC INTEGRITY POLICY

The primary goal of any educational institution should be to enhance the learning environment and to promote the pursuit of intellectual excellence. The Rocklin Unified School Board of Education believes that the public school should reinforce the values of our democratic society, teach citizenship and provide an environment conducive to ethical behavior. The Rocklin High School community believes that the school should maintain a climate in which honesty, courtesy, consideration, integrity and a concern for others are highly valued.

Cheating is an obstacle to achieving these goals. Factors that contribute to cheating include pressure for grades, not enough time to finish all the required homework, students taking advantage of classroom situations that may provide an opportunity to cheat, unrealistic parent expectations and inefficient study skills. **None of these reasons make cheating acceptable.** In any of its forms, for whatever reason, cheating denies the value of education.

Definition: Cheating is taking (or lending) at inappropriate times a person's work, information, ideas, research and/or documentation **without properly identifying the originator.**

The teacher's professional judgment will determine whether cheating has occurred. Students are reminded not to give the instructor cause to consider their actions a violation.

For further information in regard to the consequences of this policy, please review the discipline guidelines.

TECH/INTERNET INFO

RHS Students are expected to use campus technology in the manner designed for classroom assignments and activities. This includes all hardware, software programs, and internet use. All campus hardware, including but not limited to televisions, DVD/VCR's, overhead projectors, cameras, and recording equipment are covered under this policy.

All Rocklin Unified School District network/on-line service users are required to sign the Authorized Network/On-Line Service Use Agreement form and to abide by the terms and conditions of Board Policy 6203 and the corresponding regulations. The Board of Education does not authorize any use of the network/online service that is not conducted strictly in compliance with this policy. Your signature on this document indicates that you have read the terms and conditions carefully and understand their significance.

The Board of Education believes that on-line services (Internet) offer vast, diverse, and unique resources for students, teachers, and other users. The District goal in providing this service to staff and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The District may not be able to technologically limit access to services through the District's on-line services connection to only those that have been authorized for the purpose of instruction, study, and gain access to services on the Internet which the District has not authorized for educational purposes. By participating in the use of the on-line services students may gain access to information and communications which they or their parents/guardians may find inappropriate, offensive, or controversial. Parents/guardians assume this risk by consenting to allow their students to participate in the use of the on-line services. Users who disregard the District's authorized network/on-line services use policy and regulations may have their use privileges suspended or revoked and may be subject to other disciplinary actions. Users granted access to the Internet through the Rocklin Unified School District assume personal responsibility and liability, both civil and criminally for uses of the Internet not authorized by District policy.

RESEARCH PAPER FORMAT

Avoiding Plagiarism: In writing your research paper, you must document everything that you borrow, not only from direct quotations and paraphrases but also from information and ideas that are not your own. Common sense as well as ethics should determine what you document. Common knowledge or familiar proverbs need not be cited, but you must indicate the source of any material that readers might otherwise mistake for your own. This process is taught within departments. For further clarification ask your instructors.

Documentation Style: Use "in-text" citations instead of footnotes. This format basically requires the author's last name and the exact page from which you borrowed the information. *Example: According to a leading cancer researcher, "Cigarette smoking is related to 320,000 deaths annually from cancer" (McQuiad 143).* If a quotation is four lines or more, it is usually indented from the left ten spaces, double-spaced, and not enclosed in quotation marks. The passage can be introduced with a colon.

Works Cited: In writing a research paper, you must indicate exactly where you found whatever material you borrow (facts, opinions, or quotations.) It is recommended that you acknowledge your sources by keying citations in the text to a list of the research materials used. This list will appear at the end of your paper as a Works Cited list. (Sample Works Cited may be obtained from any Language Arts teacher.)

RHS WRITING STANDARDS

FORMAT (The appearance of the document)

First Page should include the following heading in the upper left-hand corner of the paper: Name of Student, Teacher and or/ course name, Class Period, Date. A Title (if appropriate) should be centered after the heading.
Other Features: Must be typed or word processed – Double spaced – Use one side of white 8.5" x 11" piece of paper – Set Margins – left 1", top 1", right 1", bottom 1" – Indent paragraphs .5"

Header: Put last name, a space, and page number in upper right-hand corner
– ½” from top
Use 10-12 point, professional font.

REGISTRAR

632-1600 X104

The Registrar's office is located in the front of the Administration Building.

TRANSCRIPTS

Every senior will receive an *unofficial* transcript to assist them in filling out college applications. Transcripts should be kept in a safe place for future reference. College and scholarship applications may require *official* transcripts. To request a transcript, contact the registrar at least one week prior to the application deadline before or after school, or during lunch or break to fill out a transcript request form. There is a \$1.00 fee per transcript.

WITHDRAWAL FROM ROCKLIN HIGH SCHOOL

Withdrawing from RHS is typically a one-day procedure. Parent/legal guardian verification and signature are required. **Students need to see the registrar to obtain a checkout form.** The student, during their regular class schedule, must take the form to his/her teachers to receive withdrawal grades. At this time, all books, uniforms, fines, and fees must be turned in and cleared. Students must return the form, along with their ASB/ID card and RHS parking permit, to the registrar to complete the process and receive the necessary paper work for future school enrollment. If the student is unavailable to enact this procedure, the form will be routed by the office and will prolong the withdrawal process. If books and accounts are not cleared, the student's official transcript will not be forwarded to the awaiting school until matters are cleared.

IMMUNIZATIONS

Student immunization records must be up to date before he/she is enrolled. If additional immunizations are needed, they may be obtained from your medical care provider or the Placer County Health Department (530) 889-7141.

COUNSELING

632-1600 x110

The Counseling Center recognizes the dignity and worth of each individual and respects the differences that exist. Students are welcomed in the Counseling Center, and appointments are made on a first-come, first-served basis. Trained Peer Counselors are also available for appointments. Students will be admitted to the Counseling Center with a pass or an appointment slip. Students are asked to make appointments before or after school, during break, lunch or passing periods.

CLASSES: POLICIES

Drop Policy: All courses at Rocklin High School are year-long courses. Students must remain in a course for the **entire year**. In the interest of not setting up educational roadblocks, counselors start working with students prior to the spring of this school year. Students and parents were given every opportunity to read the Academic Planning Guide, discuss courses with teachers and make selections for the upcoming year with a counselor. The Counseling Department has made every effort to match student needs with available classes. The Counseling Department provided each student on this campus (with the exception of incoming freshmen) ample opportunity to change and adjust his/her schedule. These opportunities began when each student

was given a copy of his/her Six Year Plan for review and ended with a confirmation of course selections mailed home during the summer. Therefore, there should be no reason for a schedule change unless there is an **error** in the student's schedule (see below for definition of "error").

A schedule **will not** be changed to be with friends, to change teachers, for athletics, early/late arrival for seniors or because a student has a job.

Scheduling errors will receive immediate attention by the Counseling Department. The following are considered scheduling errors:

1. Missing a course(s) needed for graduation
2. "Blank"/missing a class period (does not include "early/late" arrival for seniors)
3. "Double up" of courses in the same period (does not include Sophomore Health/Driver's Ed.)

The Counseling Department corrects mistakes as quickly as possible.

TEACHER INITIATED WITHDRAWAL

- An exemption occurs when the teacher has determined the course work is above/below the student's academic ability at this time.
- Student, parent, teacher, and administration approval is required.
- The student must have demonstrated a valid effort to be successful, which includes: attendance, attitude, discipline, quality of work and communication of concerns.

CHALLENGING A CLASS

Within the first week of the school year, a student can challenge a class by contacting the department chairperson to set up an appointment. Certain requirements must be met in order to challenge. A level of understanding (varies among departments) must be demonstrated before a student can advance to the next level. The student is still responsible for the demonstration in the class being challenged. Credit is not given in a class for a successful challenge.

COLLEGE & CAREER CENTER

<http://rhs.rocklin.k12.ca.us/admin/counseling/career/index.html>

632-1600 x424

The College and Career Center is a resource center focusing on students' opportunities after high school. Here students and parents can find information and help on the following:

- College admission
- ACT, SAT Reasoning & Subject exams PSAT, ASVAB registration and support
- Scholarships and financial aid
- Career exploration, education and planning
- Military recruitment
- 49er Regional Occupation Program (ROP)
- Community service opportunities

Parent Services - Parents are welcome to access all College and Career Center resources. Appointments are recommended.

COLLEGE NIGHT

The College and Career Center hosts the Northern California College Night each fall. College representatives from every college in California are invited to showcase their schools in the gym.

COMMUNITY SERVICE

A minimum of twenty-five hours of community service is required for graduation. The hours must reflect a volunteer service to the community. Students can complete the hours with a club or organization or individually. Community service contracts and complete guidelines are available in the College and Career Center, Counseling Office or on the RHS website. College bound students are advised to complete more than 25 community service hours. Students are expected to complete their community service by the end of their junior year.

TUTORING

Students who need academic help can request a peer tutor in the College and Career Center. Rocklin High School students who have been approved to tutor are available on a regular basis after school. Students wishing to volunteer as tutors are encouraged to apply.

SCHOLARSHIPS AND FINANCIAL AID

The College and Career Center keeps a file of current scholarship applications for students. The Rocklin High School Assist-a-grad Scholarship Program offers seniors locally sponsored scholarships and is exclusive to Rocklin High School. All students seeking money for college are encouraged to apply. Each winter the College and Career Center sponsors a FAFSA workshop.

- RHS Assist-A-Grad Scholarships are sponsored by an organization or individual. RHS advertises and provides applications. Sponsors interview applicants and award the scholarship. *(RHS will host interviews in May.)*

WORK PERMITS

By federal law and State Ed. Code 49164, all students under age 18 must have a valid work permit to be employed (including vacations and summer break). In accordance with school policy, students are required to maintain a 2.0 grade point average and have not more than 1 NM/NC (based on their most recent report card) and be attending school regularly to hold a work permit. Students may obtain a "Request for Work Permit" in the College and Career Center or on the RHS website. The student, parent and employer must complete all information requested. Work permits will be issued within four days after the completed request has been submitted.

Work permits are issued for up to one year and expire every August (including those issued during summer break). Permits may be revoked at any time if attendance and graduation requirements are not being met. Work permit eligibility follows the same guidelines as athletic eligibility.

HEALTH OFFICE

632-1600 x119

The school health office is staffed by a part-time health aide. A district school nurse is available to parents and staff as needed, and provides students mandated screening of vision, hearing and scoliosis to specific grade levels. Please refer to the Annual Parents' Rights Notice 2010-11 for a complete description of pupil health, safety and medical treatment information.

The school health office provides care to students who are sick at school, until the parent can be contacted to pick up the student. Students will only be released to persons listed on the Emergency Card.

The school health office also supervises students who are required to take medication at during the school day. A written authorization from the student's physician and parent or guardian is required before designated school staff can assist the student in taking any medication, whether prescribed by the physician or over-the-counter (Asprin, Motrin, cough drops, etc.). These medication forms are available in the school office.

All medication must be in the original container and placed under lock and key in the health office in the administration building for the safety of all students. **Students are not allowed to carry any form of medication (prescription or over-the counter) at any time while on campus** except those medications that a physician requests the pupil be allowed to carry (e.g., inhalant for asthma, Epinephrine, Auto-injector Epi-Pen for severe bee allergies).

Prior to the beginning of school, please notify the school health office in writing of any chronic health issues such as heart problems, diabetes, severe allergies, hearing loss chronic pain, asthma, seizure disorders etc. This enables the school to communicate the necessary accommodations to appropriate staff to ensure that student health needs and safety are cared for.

PHYSICAL EDUCATION EXEMPTION

Students with a request for temporary or permanent exemption from physical education must have the appropriate paperwork filled out by both physician and parent. Forms are available in the Nurses Office. Physician's release is to be given to the PE department who will process the information to the health office. The health office will collaborate with the physician, parent and other necessary staff.

According to the ASB Constitution, students will receive a certificate designating letters and special awards they have earned in competition or performance. Students may obtain their letters at cost. ASB Executive Council purchases these awards for ASB cardholders. Students who do not have an ASB card may purchase these awards at cost. As other groups or teams are formed, they may petition the Extracurricular Activity Board for authorization to award participant letters.

UNIFORM COMPLAINT PROCEDURE

Uniform Complaint Procedures for Parent//Student: The Rocklin Unified School District recognizes that the district has primary responsibility for insuring that it complies with applicable state and federal laws and regulations governing educational programs. Federal law requires the school district and county office to adopt and notify parents of the District's complaint procedures for state and federal educational programs. The Act requires the school district to investigate and seek to resolve complaints at the local level and to follow uniform complaint procedures pursuant to state regulations when addressing complaints alleging unlawful discrimination for failure to comply with the law in adult basic education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, pupil nutrition programs and special education programs. The Board of Education designates the following compliance officers to receive and investigate complaints and ensure district compliance with law: the Deputy Superintendent/Educational Services or the Director of Special Education/Special Programs.

If dissatisfied with the district's decision, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the district's decision. A complainant may pursue any available civil law remedies that may be available under state or federal discrimination laws, if applicable, and of the appeal pursuant to Education Code Section 262.3.

Copies of the Rocklin Unified School District compliant procedures are available free of charge (Board Policy 1312.3).
